**COMMUNICATION  
and  
FEE AUTHORIZATION**

Sir:

On July 19, 2004, Applicant filed a Notice of Appeal and a Petition for a two-month extension of time.

Through typographical errors, the foregoing authorized the Commissioner to charge the undersigned's deposit account \$320 for the Notice of Appeal, whereas \$330 was due; and \$410 for the extension of time; whereas \$420 was due.

It appears from the records of the PTO that the correct charge of \$330 was charged to the undersigned's deposit account for the Notice of Appeal, but that only \$410 was charged for the extension of time - see the attached print-out.

Applicants' Notice of Appeal paper authorized the Commissioner to charge any fee that was required to the undersigned's deposit account, and therefore the Commissioner was authorized to charge the proper fee of \$330 for the Notice of Appeal and the proper fee of \$420 for the two month extension.

It now appears that an additional \$10 is due for the extension of time, and the Commissioner is specifically authorized and requested to charge that \$10 additional for the extension of time, together with any other or additional fees that may be due for the extension of time or Notice of Appeal, to Deposit Account No. 14-1263.

Respectfully submitted,

NORRIS McLAUGHLIN & MARCUS, P.A.
